GEORGE TOWN, April 17 (Bernama) -- The Penang state government was today criticized for politicizing the school assistance because applicants are required to submit application forms to their respective state assemblyman.

Persatuan Kebajikan Insan Mulia (PKIM) president, Aminah Abdullah said the application forms that were distributed in primary and secondary schools beginning yesterday, were limited to students in Year 1, Year 4, Form 1 and Form 4.

The RM100 school assistance would be given to students in Year 1, Year 4, Form 1 and Form 4.

"If you want to give the assistance why must you choose. The assistance is for students. It's better if the forms be submitted to the school administration to evaluate whether they are qualified or not," she told a new conference here Tuesday.
