PUTRAJAYA, March 7 (Bernama)-- Agriculture and Agro-based Industry Minister Datuk Seri Noh Omar today challenged the Selangor government to expedite a forensic audit over its claim that Yayasan Selangor suffered losses amounting to RM500 million when the state was under the Barisan Nasional (BN).

Noh said the claim was a diversionary tactic by the Pakatan Rakyat government in Selangor to hide alleged weaknesses in financial management in the foundation (Yayasan Selangor).

"It appears Selangor's Select Committee on Competency, Accountability and Transparency (Selcat) does not want to accept that there are weaknesses in their administration. Instead they are trying dig up old issues and trying to lay blame on the BN, like claiming Yayasan Selangor suffered losses amounting to RM500 million when it was under the BN," he told a press conference before attending an accreditation ceremony for a fisheries school in Kampung Acheh, Lumut, Perak, here Wednesday.

Noh, who is also Selangor Umno deputy chief, said Selangor Menteri Besar Tan Sri Abdul Khalid Ibrahim should make a public apology to him because his claims on mismanagement in the foundation had been proven true.
