SHAH ALAM, March 7 (Bernama) - Documents on non-tender contracts approved by the Selangor state government will be presented at the state assembly sitting on March 19.

Menteri Besar Tan Sri Abdul Khalid Ibrahim said all parties including the public can examine the documents and see the non-tender contracts approved since the opposition alliance ruled the state.

"I don't want to reply to what Raja Petra wrote as there were many mistakes that only excite the public but of no help to the state government.

"Let me present a list of documents on non-tender contracts from 2006 to 2010 and then Raja Petra can take my data and compare with that of his," he told reporters after the State Exco meeting here Wednesday.
