CYBERJAYA: A contest to name the two pandas will be held soon, said Datuk Seri Najib Tun Razak.

The Prime Minister said he had heard about the contest.

"It (the contest) will open shortly, that's what I heard," he said in jest when speaking at the launch of the Huawei Malaysia Global Training Centre here yesterday.

Najib's alluding to the pandas did not surprise the guests who included Chinese Ambassador to Malaysia Chai Xi as Huawei is a leading China-based telecommunications services provider.

Najib had requested for the loan of the pandas during a meeting with his Chinese counterpart Wen Jiabao in Nanning last April.
