KUALA LUMPUR, April 18 (Bernama) -- Tun Dr Mahathir Mohamad, who had minor surgery to remove nasal polyps, is scheduled to be discharged from Universiti Kebangsaan Malaysia Medical Centre Thursday.

According to a statement issued by his aides, the former prime minister was responding well to treatment and that doctors were happy with his progress.

"He is taking normal meals and is scheduled to be discharged Thursday," it said.

The hour-long surgery which began at 9.30am Tuesday was performed by a medical team led by Prof Dr Abdullah Sani Mohamed.

Meanwhile, Prime Minister Datuk Seri Najib Tun Razak tweeted: "My prayers and well wishes go to Tun Dr Mahathir as he recovers from a minor nasal polyps surgery."
