KOTA KINABALU, April 20 (Bernama) -- Chief Minister Datuk Seri Musa Aman said the Barisan Nasional (BN) government under the leadership of Prime Minister Datuk Seri Najib Tun Razak is a government that cares for the people.

This could be seen in the government's determination to introduce numerous measures to bring prosperity to the people, starting with the "1Malaysia, People First, Performance Now", he said.

This has led to the introduction of other initiatives such as the Government Transformation Programme, Economic Transformation Programme, National Key Result Areas, National Key Economic Areas, Political Transformation Programme and the latest, the National Transformation Policy, he added.

"I believe that these initiatives will further strengthen the government's delivery system and spur our economy to grow further and become competitive at the global level," he said at the Malaysian Trust Fund Week 2012 which was opened by the prime minister at Likas Sports Complex, here.

He said the prime minister had also been striving to assist the people by introducing the 1Malaysia Clinic, 1Malaysia People's Shop, 1Malaysia People's Welfare Programme and 1Malaysia People's Assistance.

Musa called on the people of Sabah to continue supporting the government's initiatives.
