KOTA KINABALU, Feb 2 (Bernama) -- The people in Sabah were urged to support the leadership and policies introduced by Prime Minister Datuk Seri Najib Tun Razak.

Sabah Deputy Chief Minister Tan Sri Joseph Pairin Kitingan said Malaysians should appreciate the initiatives by Najib that were deemed to be moderate, practical, progressive and far-sighted in order to bring about positive social and economic changes to the country and people.

"The prime minister is well ahead of his time by virtue of his vision and innovative programmes to transform the country into a high-income economy in the 21st century.

"He has proven himself to be a world-class statesman, exemplified by his bold initiative to promote the 'coalition of moderates' among nations to counter the growing threat of political or religious extremism," he said in a statement, here, Thursday.

Pairin, who is also Parti Bersatu Sabah (PBS) president, said Malaysians should embrace political moderation as a way of thinking, especially within the context of the 1Malaysia concept.

Being a state that embodied the 1Malaysia spirit, he said, Sabah should lead the way by strengthening and showing support for Najib's efforts to bring peace and harmony among the people of different races, culture and beliefs.
