BAGAN DATOH, April 21 (Bernama) - The government has reopened application for deep sea fishing licence effective immediately and invites fishermen to apply for them.

Agriculture and Agro-Based Industry Minister Datuk Seri Noh Omar said the licence frozen since last year is open to zone A and C2 fisherman.

"We froze deep sea fishing licence following reports that not much fish was landed despite the big volume of subsidised fuel issued.

"The freeze was to allow for auditing," he told reporters after a dialogue with fishermen and department heads here Saturday.
