GEORGE TOWN, May 2 (Bernama) -- Businesswoman Ummi Hafilda Ali Wednesday said she was 99.9 per cent certain the images of a man in a sex video carried by several blogsites and newspapers were that of her elder brother, Azmin Ali, the Parti Keadilan Rakyat deputy president.

She has now challenged Azmin to make a police report to refute that the video images published were of him.

"As a younger sister, I can recognise my own brother, from his hairstyle, body shape and dressing. It's certainly him," she told reporters, here, today.
