ALOR SETAR, April 30 (Bernama) -- Kedah Gerakan is seeking an explanation from the state government on allegations it granted the Aman Central project open tender to a private company.

The party's youth movement chief Tan Keng Liang said the RM500 million shopping complex project was supposed to have been handled by Bina Darulaman Berhad, a subsidiary of Kedah State Development Corporation.

"The land had been given to the corporation earlier, so why was the tender given to another private company," he questioned during a press conference at Gerakan's Alor Setar office here Monday.

He issued an ultimatum to Kedah menteri besar Datuk Seri Azizan Abdul Razak saying they expected an explanation in a week.

"I give a week, until next Monday, for the menteri besar to explain the matter and if he fails to do so I will raise the issues of other projects which were granted without open tenders," he said.
