KUALA LUMPUR, May 17 (Bernama) -- The presence of tens of thousands of youths at Umno's 66th anniversary celebration at the National Stadium in Bukit Jalil recently shows that the party still has the support of the younger generation.

Umno Youth chief Khairy Jamaluddin said this proved that the perception of certain quarters that Umno no longer had the support of young people was wrong.

"Hence, the participation of many youths in the street demonstration in the federal capital on April 28 cannot be seen as support from youths has gone to the opposition," he said after opening an Auto forum organised by Perbadanan Usahawan Nasional Berhad (PUNB), here, Thursday.
