SHAH ALAM, May 19 (Bernama) -- The Felda Vision Generation Alliance (GWGF) is in full support of the strategic partnership between Felda Global Ventures Holdings Bhd (FGVH) and two renowned companies in London, to enable FVGH to emerge as the world's biggest and respected commodity company.

Its chairman, Tan Sri Rozali Ismail, said the partnership would also benefit Felda settlers as a whole.

"The decision made by Prime Minister (Datuk Seri Najib Tun Razak) to get renowned, high-performance and financially stable companies to collaborate with FGVH was apt.

"I believe that it will also strengthen FGVH position and enable its shares to remain strong in the stock market (Bursa Malaysia) and hence, improve the living conditions of the settlers," he told reporters here Saturday.
