KUALA LUMPUR, May 19 (Bernama) -- Makkal Sakti Party president, Datuk R.S. Thanenthiran said the transformation programme mooted by Prime Minister Datuk Seri Najib Tun Razak has helped the Indian community a lot.

He said the transformation taking place had also drawn increasing support of the Indian community for the Barisan Nasional (BN) government.

"After taking over as prime minister, Datuk Seri Najib quickly carried out transformation which has also given special attention to the Indian community, and their support for BN has returned as seen from their attendance at events organised by BN."

Thanenthiran said the people should support the various initiatives of the prime minister as it was clear that the transformation programmes were benefiting them.

"The BN government under the leadership of Datuk Seri Najib always takes care of the people's welfare in line with its slogan of 'People First'," he said after officiating at a Mother's Day celebration organised by Makkal Sakti, here, Saturday.
