JERANTUT, May 8 (Bernama) - Prime Minister Datuk Seri Najib Tun Razak says the opposition have run out of ideas after failing to stop the listing of Felda Global Ventures Holdings (FGVH) on Bursa Malaysia.

This include trying to mislead the people by twisting facts that listing of FGVH would bring losses to settlers and blamed Umno when an opposition leader had family problems.

"The opposition want to twist everything, including good things, and blame Umno for everything.

"A son who did not care for the mother is also blamed on Umno. Is Umno so great that it can influence personal matters? he asked when announcing a windfall in front of 50,000 Felda settlers at 'Majlis Peneroka Bersama Perdana Menteri' at Felda Jengka 8, near here Tuesday.

Also present were the prime minister's wife Datin Seri Rosmah Mansor, Menteri Besar Datuk Seri Adnan Yaakob and Felda chairman Tan Sri Mohd Isa Abdul Samad.

Describing those trying to mislead the people as traitors, Najib said that the windfall for Felda settlers was not meant for them.

"I don't consent to them receiving the windfall as they tried to sabotage us. It is only meant for settlers who are honest and loyal to the country," he added.
