KUALA LUMPUR, June 13 (Bernama) -- Salt and mineral water bottles which were used as "shields" by the Bersih 3.0 rally participants, should not be taken lightly because they can become powerful instruments to topple the government.

Minister in the Prime Minister's Department Datuk Seri Mohamed Nazri Aziz said salt and mineral water bottles could be as powerful as mobile phones which had brought down the powerful regimes in Egypt and Tunisia.

"So, don't underrate the power of salt and bottles...the influential governments of Egypt and Tunisia fell because of the mobile phone," he said in reply to a supplementary question from Lim Kit Siang (DAP-Ipoh Timur) in the Dewan Rakyat Wednesday.

(Salt is taken to neutralise the effects of tear gas fired during riots).
