KUALA LUMPUR, May 29 (Bernama) -- ASTRO is now installing the free ASTRO satellite service in all care centres in the country that had been registered with the Social Welfare Department, said Prime Minister Datuk Seri Najib Tun Razak.

With the 1Malaysia product and service, old folks would be able to get the latest information, entertainment and sports programmes through radio and tv during their spare time, he said at the Karisma Warga Emas programme at Rumah Sejahtera in Seri Kembangan near here on Monday.

He said old folks also needed various activities to fill their spare time and to get the latest information as well.
