KOTA BARU: Prime Minister Datuk Seri Najib Razak is expected to visit Kelantan during the fasting month, state Umno chief Datuk Seri Mustapa Mohamed said.

Mustapa, who is also minister of international trade and industry, said Najib would take part in meet-the-people sessions in Bachok and Ketereh.

"We (state Umno) will organise the visit but have yet to finalise the date and other details," he said yesterday.

Mustapa said the prime minister would also meet state Barisan Nasional leaders.

On another note, he said the state Umno had organised programmes to reach out to Kelantan voters living outside the state.

"We are aware that there is a sizeable number of such voters."
