PUTRAJAYA, July 14 (Bernama) - UMNO secretary-general Datuk Seri Tengku Adnan Tengku Mansor Saturday denied that the gap in political ideology among the people was created by Umno.

He said it was actually started by PAS.

This was reflected in the actions of some PAS' members, like not eating meat of animals slaughtered by Umno members, not recognising marriages solemnised by marriage registrars who were from Umno and not allowed to pray with an imam from Umno, he added.

He told this to reporters after opening a people's feast and the 1Malaysia Sepakat Community Carnival at Precinct 9 here.

Tengku Adnan was commenting on a statement by Kelantan Menteri Besar Datuk Nik Abdul Aziz Nik Mat who claimed that Umno was responsible for creating the gap in political ideology in the society, which resulted in divorce among some couples.
