SANDAKAN, June 30 (Bernama) -- The role of the social media is now seen as a far-reaching and strategic machinery for the Barisan Nasional in the coming general election.

Sabah Chief Minister Datuk Seri Musa Aman said government-friendly social media played the role of correcting charges made by irresponsible parties, such as slanders and lies, in their blogs.

"Our social media partners should be quick to deflect slanderous attacks and correct inaccurate information.

"They are the agents who give the real explanation or picture," he said at the 1Malaysia Social Media Convention Series in Sabah for Zone 5 Umno here Saturday.

The convention was held for the first time in the state for Zone 5 Umno which comprises Sandakan, Kinabatangan, Beluran, Libaran and Batu Sapi.
