PASIR MAS, Aug 3 (Bernama) -- Pasir Mas Member of Parliament Datuk Ibrahim Ali will appeal to Prime Minister Datuk Seri Najib Tun Razak to approve a special allocation under the National Disaster Fund to resolve the water problem in the state.

The Perkasa president said he would do so on behalf of the Kelantan people as the problem was becoming more critical.

Ibrahim said the appeal would be contained in a memorandum which he would submit to the prime minister when he later arrived at the Sultan Yahya Petra Airport in Pengkalan Chepa on Sunday for a visit to the state.

"I'll appeal to the prime minister to approve an immediate allocation under the National Disaster Fund of between RM100,000 and RM200,000 for each of the 14 parliamentary constituencies in Kelantan as a short term measure to address the problem.

"This is to enable the people to buy their supply of drinking water for the Aidilfitri celebration," he said here Friday.
