KAJANG, Aug 4 (Bernama) - The federal government will ensure that the new water tariff fixed after completion of Sungai Langat 2 Water Treatment Plant will not burden Selangor people.

Agriculture and Agro-Based Industry Minister Datuk Seri Noh Omar said the Selangor government should not make conclusion as the water treatment project has not started.

"The opposition believe that the people have to pay a high price for the billion ringgit project. Barisan Nasional (BN) is ten steps ahead of the opposition when it comes to reducing the people's burden.

"Don't jump the gun. The issue is water supply in Selangor. The BN government will take into account the people's views when determining the new tariff," he told reporters after attending a Selangor Water Crisis Forum organised by Selangor Concerned People's Movement (GPRS) in Beranang Saturday.
