PETALING JAYA, Aug 9 (Bernama) -- A deputy minister today described the move by the opposition political parties to use their own theme for the Merdeka Day celebration as a political game to belittle the federal government.

Deputy Information, Communications and Culture Minister Datuk Maglin Dennis D'Cruz said the opposition political leaders did not agree with the theme "Promises Fulfilled" because they could not fulfill their own promises to the people.

"When they hear the words 'Promises Fulfilled', they feel embarrassed because they can only promise but cannot fulfill. This is their problem. That is why they want to use their own theme," he told reporters after launching the MPHOnline and Samsung eBook application in Subang Jaya near here.

The MPHOnline application is a first free eBook application that can be found in Samsung Apps store following a partnership between MPH bookstores and Samsung mobile.
