LUNDU, Aug 10 (Bernama) -- The distribution of 1Malaysia laptop computers to 300 residents here is very meaningful for the people of Tanjong Datu and is proof the government is concerned about the needs of the people.

Parti Pesaka Bumiputera Bersatu (PBB)Tanjong Datu branch deputy chief Abu Seman Karim said the distribution echoed the principle 'Promises Fulfilled', namely, the aspiration of the government to bridge the digital gap between the urban and rural areas.

"It is proof that the government, all these while, is very concerned about the needs of the people," he told reporters after distributing the computers, here, today.

In the meantime, the recipients, comprising committee members of associations and organisations around Tanjong Datu, thanked the government and peoples' representatives for being sensitive to the needs of the people especially in the rural areas.

They gathered as early as 8am to wait for the distribution of the 1Malaysia laptops which was for the Santubong Parliamentary area.
