BUKIT MERTAJAM, Sept 2 (Bernama) -- Penang Umno wants Chief Minister Lim Guan Eng to form a special committee to investigate the sale of land made by the state government since 2008.

State Umno Liaison Committee deputy chairman Datuk Musa Sheikh Fadzir said the setting up of the committee was important as it could explain whether the sale of land made by the state government was true and transparent, or otherwise.

"It is time for the state government to form a special committee to investigate the sale of land and present it to the public so that they can judge for themselves whether the state government had done it (sale of land) transparently.

"This is what we say, being brave and democratic, as we don't want a chief minister who is only good at talking and accusing people but to also prove what he has said," he told reporters at the Batu Kawan Umno division Aidilfitri open house, here, today.

Musa, who is the division chief, also challenged Lim to answer and explain all questions raised by Penang BN Youth on the sale of land in Taman Manggis.
