ALOR SETAR, Aug 16 (Bernama) -- Kedah Umno today reminded the people in the state to not repeat the same mistake when choosing the government during the 13th general election.

State Umno Liaison chairman Datuk Paduka Ahmad Bashah Md Hanipah said the mistake in 2008 needed to be redeemed to ensure the welfare of the people was protected.

He said the people should chose the party that can administer wisely, instead of giving the opposition coalition a chance to rule the state but did not bring about any development or had their interest protected.

"The people should evaluate how far the opposition government has developed the state. What have they implemented," he told Bernama after presenting Aidilfitri contributions to 1,500 senior citizens, destitute and disabled in the Alor Setar Parliamentary constituency at the Youth and Sports Complex here today.

Ahmad Bashah who is also the Bakar Bata state assemblyman told the people to chose the party which has the capability to administer the state well.
