BACHOK, Sept 8 (Bernama) -- Promises made by Prime Minister Datuk Seri Najib Tun Razak to the Kelantan people will be included in the Kelantan Barisan Nasional (BN) manifesto for the next general election, State Umno deputy liaison chief Datuk Dr Awang Adek Hussin said on Saturday.

He said the promises made by Najib, like upholding Islam, construction of the Kota Baharu-Kuala Krai Expressway and solving the Kelantan people's water and housing woes would be fulfilled if the Kelantan people were to give their mandate to the BN to form the state government.

"Also to be included in the manifesto is the promise to build a new stadium to replace the Sultan Muhammad IV Stadium.

"The Kelantan people must have trust because the promises were made by the country's top leadership," he told reporters after attending an Aidilfitri gathering hosted by the association of former officers in the Kelantan education service, here.

On the claim by certain quarters that the state government was not able to build the "People's Expressway" because of objection from the federal government, Awang Adek said it was not true.
