KOTA KINABALU, Sept 13 (Bernama) -- Prime Minister Datuk Seri Najib Tun Razak's leadership should befittingly be studied and emulated by the country's successive leaders, said Sabah Chief Minister Datuk Seri Musa Aman.

"Leadership is a crucial aspect in the development process; a progressive and developed government and country is a result of resolute and credible leadership," he said while launching a seminar, 'Najib's Leadership and Policies' at Universiti Teknologi Mara (UiTM) Sabah branch near here today.

The text of his speech was read out by state Tourism, Culture and Environment minister Datuk Masidi Manjun.

Musa also praised UiTM Sabah for organising the seminar as an intellectual discourse platform to study and analyse the prime minister's leadership, and the policies he has introduced since helming the country three years ago.

The chief minister noted that Najib had also empowered public higher learning institutions to be more competitive via more autonomy in financial, human capital, administrative, student entry and income generation management.
