KUALA LUMPUR, Oct 10 (Bernama) -- The government will ensure Free Trade Agreement (FTA) negotiations between any trading partners end in a win-win, balanced and realistic result, the Dewan Rakyat was told on Wednesday.

International Trade and Industry Minister Datuk Seri Mustapa Mohamed said the outcome of negotiations should contain a development agenda, not only in terms of economy but also social and capacity building.

"After the FTA is carried out, the government will monitor its implementation continuously, including its impact on the national economy," he said in a written answer to a question from Charles Santiago (DAP-Klang).

Charles had asked about the evaluation of impact on the bilateral and multilateral FTA signed by Malaysia.
