

Perlis Raja Muda Suggests Community Colleges Create Entrepreneurial Hubs
Bernama
November 04, 2012

KANGAR, Nov 4 (Bernama) -- The Raja Muda of Perlis, Tuanku Syed Faizuddin Putra Jamalullail has suggested that the community colleges set up entrepreneurial hubs to enable entrepreneurs and future entrepreneurs to obtain accurate information on business and the economy.

He said the community colleges should also be providing comprehensive training to new entrepreneurs to enhance their business skills and knowledge.

"These efforts will help produce more successful entrepreneurs in this country," the Raja Muda said when closing the National-Level Community Colleges Entrepreneurial Challenge 2012 for the Higher Education Minister's Trophy at Dataran Dato' Sheikh Ahmad, here, Sunday.

Tuanku Syed Faizuddin said entrepreneurship was an important field as it could help reduce poverty, besides boosting economic growth.

"Although the number of new entrepreneurs has increased, many are not successful due to their lack of experience and know-how in business," he said.
