KANGAR, Oct 20 (Bernama) -- The Raja Muda of Perlis, Tuanku Syed Faizuddin Putra Jamalullail wants the Malaysian National News Agency (Bernama) to be the main provider of information on the country's glorious achievements.

He said that reports on the country's glorious achievements should be consistent, accurate and responsible so that the country is always respected.

Speaking at a dinner of Bernama Staff Union (KPPB) at Ocean Glow here Saturday night, he hopes the news agency would give priority to reports which encourage unity, love, patriotism, gratefulness, concern, responsibility, spirit of belonging and first class mentality.

Tuanku Syed Faizuddin described Bernama as a media agency committed to give the best content in its reports on the latest issues apart from giving effective news coverage to the people.

He hopes Bernama would always seek to improve the quality of news from time to time in line with its role as a concise news provider for the electronic and print media.

The Raja Muda of Perlis hopes Bernama would optimise its potential in transforming the economy towards increasing usage of information communication technology (ICT).

Earlier, Tuanku Syed Faizuddin and the Raja Puan Muda of Perlis, Tuanku Hajah Lailatul Shahreen Akashah Khalil were received upon arrival by Bernama chairman, Datuk Abdul Rahman Sulaiman and Bernama general manager, Datuk Hasnul Hassan.
