KUALA LUMPUR, Oct 24 (Bernama) - The formation of the special committee to monitor and act against Umno members who sabotage Barisan Nasional (BN) candidates is to prevent rather than find fault.

Puteri Umno chief Datuk Rosnah Abdul Rashid Shirlin said it is the best way to monitor and prevent acts that are against party policies as 13th general election beckons.

"The formation of the special committee to deal with BN saboteurs shows that Umno will take firm action against members out to destroy the party. It will expedite appropriate action," she told Bernama here Wednesday.

Rosnah who is also Deputy Health Minister said the special committee complements the duties and responsibilities of the disciplinary board.

"Umno will always take measures in the best interest of its members and thus give confidence to the people.
