CYBERJAYA, Dec 13 (Bernama) -- Culturing integrity should start from young, said the Regent of Perak, Raja Dr Nazrin Shah.

He said integrity was the ability to do the right thing, although it might be a trivial matter such as taking an office pencil or paper home.

"In empowering the image of the nation, integrity is not an option but a necessity.

"Therefore, a government could not be defended without a culture of high integrity as corruption and abuse of power are not the act of one person, but it represents the weakness of a government.

"The presence or absence of integrity influences the form and image of a nation," he said when speaking at the Inland Revenue Board Integrity Convention here Thursday.

Raja Nazrin said integrity was a pre-requisite for a clean, efficient and trustworthy administration.
