SEREMBAN, Jan 4 (Bernama) -- All heads of government departments and agencies are urged to go the ground often to better understand the working condition of their staff and problems of their respective clients.

Chief Secretary to the Government (KSN) Datuk Sri Dr. Ali Hamsa said by doing so, it would also enable the department heads to meet their staff and see to their needs.

"I hope that beginning this year, they will do so more often or at least once a month," he told reporters after meeting the state civil servants here Friday.

"By doing this, the department heads will be able to know the condition and situation their staff have to go through in performing their jobs, as well as the problems and constraints facing them," he added.

Earlier, Ali presented contributions to senior citizens at Kampung Lonek, Jempol, before going to Istana Hinggap for an audience with the Yang di-Pertuan Besar Negeri Sembilan Tuanku Muhriz Ibni Almarhum Tuanku Munawir.
