KUALA SELANGOR, Feb 11 (Bernama) - Menteri Besar Tan Sri Abdul Khalid Ibrahim will discuss the dissolution of the Selangor State Legislative Assembly next week.

"I will discuss the matter with Pakatan Rakyat state assemblymen in Selangor. As I said earlier, several decisions will be made after Chap Goh Mei.

"I will make an announcement after the discussion is over," he told reporters after attending the Diamond Jubilee celebration of Masjid Ar Rahman in Kampung Bukit Badong, Bestari Jaya, here Monday.

On Jan 30, he said the Selangor state assembly would be dissolved after Chap Goh Mei but the next day clarified it was made to pressure the Prime Minister into announcing the general election date.

On the water issue, Khalid reiterated that Langat 2 project should be part of the restructuring of the water industry in Selangor.

"We must act together (Langat 2 and restructuring of water industry). Come up with the overall cost of Langat 2, who will fund the project and how it will effect the water tariff water in Selangor," he added.
