MELAKA, Feb 12 (Bernama) -- Voters in Melaka especially in opposition areas are bored with DAP representatives' 'behaviour' who do not work to solve the people's problem, said Melaka Chief Minister Datuk Seri Mohd Ali Rustam.

He said the opposition representatives were only keen on blaming the Barisan Nasional (BN) government without working as hard as they could to help the people in their areas.

As an example, Mohd Ali said apartment residents in the Kota Laksamana constituency had been burdened with various problems including clean water supply.

"They have been elected in Kota Laksamana for 45 years and the apartment residents experiencing brown coloured water supply but they have not taken any action to solve this.

"On the contrary, the problem was solved by the BN, proving that the DAP representatives are not relevant because they do not work," he told reporters after attending a Chinese New Year open house hosted the state People's Progressive Party (PPP) here Tuesday.

Also present Mohd Ali's wife Datin Seri Asmah Abdul Rahman; PPP president Datuk Seri M. Kayveas and Melaka PPP chairman Datuk Chih Tiang Chai.
