PUTRAJAYA, Jan 14 (Bernama) -- Two DAP life members on Monday lodged reports with the Registrar of Societies (ROS) over what they alleged to be manipulation of the party's election results.

David Dass Aseerpatham and Mahendran Krishnan, vice-chairman and secretary of the party's Ladang Paroi branch, respectively, lodged the reports at the ROS office here at about noon.

"I hope the ROS will take the necessary action to investigate the matter and help the membership to settle the dispute and prevent the manipulation of the results of the recent DAP elections under the Societies Act," David Dass said in his report, which he showed to reporters outside the ROS office.

He said many members and branch leaders were extremely unhappy over the alleged manipulation of the party election results, and that the report was lodged today after he learnt from media reports that party secretary-general Lim Guan Eng had refused to hold fresh elections.

Many branch leaders had called for fresh elections to the DAP Central Executive Committee (CEC) but these requests were totally ignored, he said.
