KOTA BAHARU, Jan 20 (Bernama) -- The federal government was determined to ensure the realisation of the Kelantan people's potential in various fields, said the prime minister.

Noting that they were talented, capable and determined to succeed, Datuk Seri Najib Tun Razak said, their achievements had however, not reached the optimum level.

He said as a government, it was responsible to ensure opportunities were widely available to the people in the state for even greater benefits.

"InsyaAllah (God willing), if we were given the mandate by the people in Kelantan, and when the federal and state governments come from the same party, we will streamline our policies, and I am confident and believe that the people of Kelantan will enjoy even greater benefits," he added.

Najib, who was on a one-day working visit to the state with wife, Datin Seri Rosmah Mansor, was speaking in an interview by KelantanFM radio station presenter Ebby Halim Al Firdaus, after opening a 'Promises Fulfilled Tour' programme at the Kelantan Rural Transformation Centre in Tunjung here today.
