KUALA LUMPUR, Jan 29 (Bernama) -- More than 20,000 residents in Lembah Pantai here will be able to access a 1Malaysia Library which will be operational by early next year, Federal Territories and Urban Well-being Minister Datuk Raja Nong Chik Zainal Abidin said.

He said the construction of the library which can accommodate approximately 15,000 volumes of reading materials would begin soon, financed fully by the Malaysian Resources Corporation Berhad (MRCB).

"The two-storey library can accommodate 100 visitors at any one time," he told reporters after officiating the ground-breaking ceremony of the library project here Tuesday.

He said MRCB would also be building two more 1Malaysia libraries, in Taman Medan Idaman in Wangsa Maju and in Jalan Wirawati in Titiwangsa, which are expected to be completed in 2015.
