BERA, March 14 (Bernama) -- The government has been urged to investigate the close relations between Opposition Leader Datuk Seri Anwar Ibrahim and the leader of the Moro National Liberation Front (MNLF), Nur Misuari.

Umno vice-president Datuk Seri Mohd Shafie Apdal said their relationship was perceived to have raised questions when Anwar and Nur Misuari frequently met although both did not have any official designation.

"As far as I am concerned, Anwar and Nur Musairi are now using each other to achieve their own objectives," he told reporters after attending a meeting with members of the Village Security and Development Committee (JKKKK) for the Bera parliamentary constituency at Bohor Baru, Bera, here Thursday.

Also present was the Member of Parliament for Bera, Datuk Seri Ismail Sabri Yaakob, who is also the Minister of Domestic Trade, Cooperatives and consumerism.

Shafie, who is also the Rural and Regional Development Minister, said the exposure in the website Wikileaks recently also proved that Anwar and Misuari met frequently.

"Anwar's photograph with his grey hair shows that the picture was taken recently.

"He (Anwar) is willing to do anything to achieve his political objective," he said.
