LANGKAWI, March 28 (Bernama) -- Former prime minister Tun Dr Mahathir Mohamad is certain that the automatic dissolution of the Negeri Sembilan State Legislative Assembly last night will not have any effect on the performance of the Barisan Nasional (BN) in the 13th general election (GE13).

"There must be a 'first time' for many things, we look how it is," he told the media after witnessing the agreement signing ceremony between PWN Excellence Sdn Bhd and Weststar Aviation Service Sdn Bhd, here today.

Tun Dr Mahathir was asked to comment on the automatic dissolution of the Negeri Sembilan State Legislative Assembly which was the first time in the country's political history and whether it would be good or bad for the BN.

"This morning I read the newspaper...there are reasons why Datuk (Seri) Najib (Tun Razak) did not dissolve the Parliament, there are several matters to be finalised," he said.

The former prime minister was also convinced that the general election for the state and federal levels could be held simultaneously.
