KUALA LUMPUR, March 29 (Bernama) - Prime Minister Datuk Seri Najib Tun Razak said today that the Barisan Nasional (BN) has been empowering women in this country and this is proven when six out of every 10 undergraduates are women.

Najib in his Twitter said in 1959, there was only one woman in every 10 undergraduates.

"Today, this figure is six in 10. Another women's empowerment success story under BN," he said.

In another Tweet, the Prime Minister said that everybody should continue to take care of themselves.

"I'm reminded that we should continue to take care of our health. We all should. Looking forward to my fitness routine this weekend," Najib said.
