MARANG, March 9 (Bernama) -- Former Prime Minister Tun Dr Mahathir Mohamad said he is convinced that the current political situation is more favourable to the Barisan Nasional (BN) than during the general election in 2008.

He said the various approaches adopted by Prime Minister Datuk Seri Najib Tun Razak were better received by the people.

"I feel that after Datuk Seri Najib took over as the prime minister, the political climate changed and gradually began to favour the BN and Umno.

"In 2008, many Umno members also voted for the opposition due to disappointment. There is no reason for them to be disappointed now and Najib has been doing a lot to regain support for Umno and the BN," he told reporters after delivering "A Statesman's Message to the People of Marang", an event attended by about 2,000 people, here Saturday.

Also present were Dr Mahathir's wife Tun Dr Siti Hasmah Mohamad Ali.
