INANAM: Star Sabah Deputy Chairman Daniel John Jambun said even so-called-Sultan Jamalul Kiram admitted there were 800,000 of his people in Sabah were given Malaysian documents by former PM Tun Mahathir.

"(PKR Vice President) Tian Chua had merely commented on the sins and treason acts of these Umno leaders," he said.

In a statement Saturday, he said the hoo-haa by Umno supporters against Tian Chua for his unfavourable comment on the Sulu gunmen in Sabah was just but an effort to distract the people's attention from the real issue at hand.

He claimed that if there is a leader or leaders who need to be barred from entering Sabah, it must not be Tian Chua but Mahathir and all those Umno leaders who were in cahoots in the project of issuing Malaysian documents to these illegal immigrants.

Umno sidekicks in Sabah, PBS and Upko leaders should stand up and get the real perpetrators of the mother of all problems in Sabah.
