CHINI: Prime Minister Datuk Seri Najib Tun Razak has indicated that the government may distribute 1Malaysia People's Aid 3 (BR1M 3) next year.

"BR1M 3? ... Wait until after the general election. It may be given next year but first we have to get past the election," he said at the presentation of BR1M 2.0 here on Saturday.

Najib said BR1M 2.0 now being distributed to the people would be more beneficial than the earlier aid as it is also given to unmarried and young people.

At the ceremony attended by over 20,000 people, he slammed the opposition for making unfulfilled promises such as in Selangor.

Najib said under the Government Transformation Programme (GTP), the people are assisted via programmes such as BR1M, schooling aid and so on.

"Recently, I visited Egypt and saw the country's situation after a revolution which toppled the old regime.

"Some people here are fanning a similar revolutionary spirit. They said reform, but is reform better than transformation? Reform or protest or throwing of chairs? Transformation means that the people are assisted.

"Felda settlers get windfall of RM15,000, loans for nice houses and annual bonus. This is the national transformation agenda. Reformasi has nothing to offer."

He also commented cynically on the big flags put up by the opposition around Felda Chini.

"We won't get anywhere with big flags and a waste of money. Can the flags feed us? Can they fix our houses? The people of Chini are not easily fooled."

Some 7,000 people in Chini received BR1M 2.0.
