JOHOR BAHRU, May 1 (Bernama) -- Datuk Nur Jazlan Mohamed, the Barisan Nasional (BN) candidate for the Pulai parliamentary seat, has proposed that the government tighten conditions for foreigners to buy landed property in the Iskandar Malaysia development corridor.

He said foreigners should only be allowed to own property like condominiums valued at more than RM500,000 to ensure that Malaysians could own landed property.

"I have received many complaints over problems to own landed property because of the rising prices which create a negative perception among the people towards the BN government.

"It is a situation beyond the control of the BN government, determined by market forces. As such, the time has come for the BN government to impose the conditions if re-elected to helm the state (Johor)," he said.

He was approached after a visit to Bukit Indah to meet the people on his campaign rounds.
