ALOR SETAR, April 30 (Bernama) -- The Barisan Nasional (BN) government has agreed to build Sekolah Menengah Jenis Kebangsaan (Cina) Keat Hwa 3 in the Pokok Sena parliamentary constituency, Datuk Seri Najib Tun Razak said Tuesday.

The prime minister the project would be implemented following demand from the Chinese community in the constituency.

"The government agreed to build the school because of the numerous applications from the local community and Barisan Nasional supports what we feel is best for the Chinese community," he told reporters after opening Sekolah Kebangsaan Taman Awana, Pokok Sena, near here.

Without disclosing the cost and when construction would start, he said the incumbent for the Derga state seat, Dr Cheah Soon Hai, who is defending the seat for the Barisan Nasional in the Sunday polls, would be in charge of the planning and would look for land to build the school.

Dr Cheah thanked the prime minister for approving the construction of the school which the Chinese community in Pokok Sena had long been pushing for.

"We want to build this school because SMJK Keat Hwa 1 and 2 are located in Kuala Kedah and it is difficult for families here to send their children there," he said.
