KUALA LUMPUR, May 3 — Explosions were heard when a police bomb squad detonated a box marked "bomb" found in a booth near the DAP service centre in Jinjang Utara here today.

The box is believed to contain firecrackers, according to a report in The Star Online today.

Deputy IGP Tan Sri Khalid Abu Bakar said the box was found at 8am.

"The box had a sign with the word 'bomb' on it. The bomb squad was dispatched to the area," he was quoted as telling reporters in Bukit Aman.

"We have not ascertained whether it is in fact a bomb," he said.
