JOHOR BARU, May 14 — MCA national organising secretary and Pulai Sebatang assemblyman Datuk Tee Siew Kiong was among nine state executive councillors sworn in today, The Star Online reported.

It is understood that MCA was allocated one seat in the state executive council line-up after a special request was made by Johor Sultan Ibrahim Ibni Almarhum Sultan Iskandar to have a Chinese representative.

Tee has been put in charge of the Tourism, Domestic Trade and Consumerism portfolio.

The news comes despite MCA's decision not to accept any government positions if the party did not improve on its 2008 performance in Election 2013, which took place on May 5.

The party won seven parliamentary seats this time around, compared with 15 previously.
