KUALA LUMPUR, May 19 — The Selangor DAP has met Selangor Menteri Besar Tan Sri Khalid Ibrahim over the composition of the state executive council and the matter should be resolved within the next two days, DAP's Tony Pua said this evening.

The Selangor DAP chairman had disputed Khalid's allocation of posts to the three parties that make up Pakatan Rakyat (PR), saying an earlier agreement meant four DAP lawmakers would be appointed to the executive council.

"We understand that there are no major issues in the matter and it has been agreed that the matter will be resolved within the next 2 days via consensus of all parties in Pakatan Rakyat," Pua said in a statement.

"There will be no further comments until the State Exco allocation has been finalised," he added.

He said Selangor DAP chairman Teresa Kok, vice-chairman Datuk Teng Chang Khim and himself met Khalid over the matter.

Earlier today, Pua pointed out that Khalid (picture) and the state PR leaders had agreed in a meeting last Thursday that the DAP would get four spots in the state executive council, while PAS would get three and choose the Selangor Speaker.

Khalid told reporters last night that four Selangor executive council posts would be given to PAS, while the DAP and PKR would get three each, apart from the state Speaker being a DAP lawmaker.

Pua said he only found out about the allocation of the exco seats through a tweet by Khalid last night.

"What's the point of the meeting then?" the Petaling Jaya Utara MP said this morning.

Last night, Khalid said that a list of names for the Selangor executive council, along with proposed alternatives, was submitted to the Sultan last Friday.

He said the state executive council will be sworn in within the next two weeks.

DAP secretary-general Lim Guan Eng said last Friday that party members Teng and Ean Yong Hian Wah will be joining the Selangor executive council.

Teng served as the Selangor Speaker in the last term, while Ean Yong, who is also the Seri Kembangan assemblyman, was previously a member of the state executive council.

Khalid was reappointed Selangor menteri besar for a second term after PR won a two-thirds majority in Election 2013 by sweeping 44 of the 56 state seats in the country's wealthiest state.

PAS and the DAP snagged 15 state seats each, while PKR took 14 seats.
