

PM says Cyberjaya progress may be scuttled by water woes
The Star Online
April 05, 2013

CYRBERJAYA: [Datuk Seri Najib Tun Razak](#) said Cyberjaya risks not achieving its real potential as a world class ICT hub if water woes in Selangor are not resolved soon.

He said Cyberjaya could face acute water shortage due to the Selangor government's refusal to the expansion programme of the Langat 2 water treatment plant.

"Infrastructure is in place to supply sufficient water for the people in Selangor and Federal Territory but the state is not cooperating.

"We now have the opportunity to ensure continuous progress of Cyberjaya and the state," he said at the ground breaking ceremony of the Cyberjaya mosque here Friday.
